THE MARRISD WOMAN'S P-IVATE MEDICAL Custable of the panion—By Dr. A. M. Mauricean, professor of discaves of woman; one bundreth edition, (500,000), 13mo.; pp. 576; on five paper, extra binding; price \$1. Every compaint to which woman is subject, from girlhood to womanhood, and also as wife and as mother, are fully described, with the causes, the symptoms, and also the proper mode of treatment; in a plain, simple, but in the most chaste language, easily understool. And the every woman can discover by comparing her own symptoms with those described, the nature, character, and cause of her comprisint, and be spared much anxiety and suffering. The wife about becoming a mother has often need of instruction and advise of the ulmost importance to be future bualth, in respect to which her centitive ness forbids consulting a medical gentieman, will find such instruction and advise, and also explanations of many aymptoms which otherwise would occasion mesh anxiety or alarm. How many are suffering from obstructions or irregularities peculiar to the female ayelem, which modernines the health, of the effect of which they are ignorant, and which their delicacy forbids concluse modical advise. How many are infect of which they are ignorant, and which their delicacy forbids concluse modical advise. How many suffer from prolapsus utari, (failing of the womb), or from fluor albeit, weakness, debility, &c)? How many are in constant agong for many mounts proceding consharment? How many have difficult, if not dangarous deliveries, and alow and uncertain recoveries? Some whose lives are hazarded during such time will each field in its page the means of p evention, and relied. How many bitter momenta how much angulah might have been spared to this additional cities, and alow and uncertain recoveries? Some whose lives are hazarded of, as thay as a sufference, to the husband, to the relative by a timely porcessio
